

**St Augustine of Canterbury
Roman Catholic Primary School**

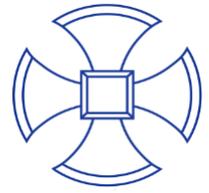

Christus Heri, Hodie, Semper

Accessibility Plan 2017-2020

St Augustine of Canterbury Roman Catholic Primary School

Christus Aeri, Hodie, Semper

In the name of God the Father, the Son and the Holy Spirit, we remember that each person is gifted, unique and loved by God and so in the family of St Augustine's we:

Welcome everyone in Jesus' name;
Work together in Jesus' community;
Follow Jesus' example in all we do;
Learn with Jesus as our inspiration;
Grow in faith with Jesus as our leading light.

3. Current good practice

- Physical Environment
- Curriculum
- Information

4. Access Audit

5. Management, coordination and implementation

6. Action Plan

1. Vision Statement:

Under the Equality Act 2010 schools should have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that “schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation”. According to the Equality Act 2010 a person has a disability if:

- (a) He or she has a physical or mental impairment, and
- (b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

The Accessibility Plan is listed as a statutory document of the Department for Education’s guidance on statutory policies for schools. The Plan must be reviewed every three years and approved by the Governing Body. The review process can be delegated to a committee of the Governing Body, an individual or the Head. At St Augustine of Canterbury RC Primary School the Plan will form part of the, Premises section of the School Development Plan and will be monitored by the Headteacher and evaluated by the Resources committee. The current Plan will be appended to this document.

At St Augustine of Canterbury RC Primary School we are committed to working together to provide an inspirational and exciting learning environment where all children can develop an enthusiasm for life-long learning. We believe that children should feel happy, safe and valued so that they gain a respectful, caring attitude towards each other and the environment both locally and globally.

1) The St Augustine of Canterbury RC Primary School Accessibility Plan has been developed and drawn up based upon information supplied by the Local Authority, the Diocese, the schools architect and governors of the school. Other, outside agencies and specialists have also been consulted. The document will be used to advise other school planning documents and policies and will be reported upon annually in respect of progress and outcomes. The intention is to provide a projected plan for a three year period ahead of the next review date.

2) The Accessibility Plan is structured to complement and support the school’s Equality Objectives, and will similarly be published on the school website. We understand that the Local Authority will monitor the school’s activity under the Equality Act 2010 (and in particular Schedule 10 regarding Accessibility) and will advise upon the compliance with that duty.

3) St Augustine of Canterbury RC Primary School is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

4) The St Augustine of Canterbury Primary School Accessibility Plan shows how access is to be improved (as and when needed) for disabled pupils, staff and visitors to the school within a given timeframe and anticipating the need to make reasonable adjustments to accommodate their needs where practicable. The Accessibility Plan contains relevant and timely actions to:-

- Increase access to the curriculum for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as equally prepared for life as are the able bodied pupils (if a school fails to do this they are in breach of their duties under the Equalities Act 2010); this covers teaching and learning and the wider curriculum of the school such as participation in after school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist or auxiliary aids, which may assist these pupils in accessing the curriculum within a reasonable timeframe
- Improve and maintain access to the physical environment of the school, adding specialist facilities as necessary. This covers improvements to the physical environment of the school and physical aids to access education within a reasonable timeframe
- Improve delivery of written information to pupils, staff, parents and visitors with disabilities, examples might include hand-outs, timetables, textbooks and information about the school and school events. The information should be made available in various formats within a reasonable timeframe

5) The St Augustine of Canterbury RC Primary School Accessibility Plan relates to the key aspects of physical environment, curriculum and written information.

6) Whole school training will recognise the need to continue raising awareness for staff and governors on equality issues with reference to the Equality Act 2010.

7) This Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:

- Asset Management Plan
- Behaviour Management Policy
- Curriculum Policy
- Critical Incident Support Plan
- Equal Opportunities Policy
- Health & Safety Policy
- Equality Plan
- School Prospectus
- School Improvement Plan
- Special Educational Needs Policy
- Staff Development Policy

8) The Accessibility Plan for physical accessibility relates to the Access Audit of the School, which remains the responsibility of the governing body. It may not be feasible to undertake all of the works during the life of this accessibility plan and therefore some items will roll forward into subsequent plans. An accessibility audit will be completed by the school prior to the end of each period covering this plan in order to inform the development of a new Accessibility Plan for the on-going period.

9) Equality Impact Assessments will be undertaken as and when school policies are reviewed. The terms of reference for all governors' committees will include the need to consider Equality and Diversity issues as required by the Equality Act 2010.

10) The Accessibility Plan will be published on the school website.

11) The Accessibility Plan will be monitored through the Resources Committee

12) The school will work in partnership with the Diocese in developing and implementing this Accessibility Plan.

13) The Accessibility Plan may be monitored by Ofsted during inspection processes in relation to Schedule 10 of the Equality Act 2010.

2. Aims and Objectives

Our Aims are:

- o **Increase access to the curriculum for pupils with a disability,**
- o **Improve and maintain access to the physical environment**
- o **Improve the delivery of written information to pupils,**

Our objectives are detailed in the Action Plan below

3. Current good practice

We aim to ask about any disability or health condition in early communications with new parents and carers. For parents and carers of children already at the school, we collect information on disability as part of the annual data collection information.

Physical Environment

Any disabled pupils would be invited to participate in extra-curricular activities. Some aspects of extra-curricular activities present particular challenges, for example: lunch and break times for pupils with social/interaction impairments, after-school clubs for pupils with physical impairments, school trips for pupils with medical needs; the whole school is disabled accessible.

Curriculum

There are areas of the curriculum to which disabled pupils have limited or no access. Some areas of the curriculum present particular challenges, for example: PE for pupils with a physical impairment, science and technology for pupils with a visual impairment, humanities for pupils with learning difficulties. Other issues affect the participation of disabled pupils, for example: bullying, peer relationships, policies on the administration of medicines, the provision of personal care, the presence or lack of role models or images of disabled people, in effect, all the school's policies and procedures, written and unwritten.

Information

Different forms of communication are made available to enable all disabled pupils to express their views and to hear the views of others. Access to information is planned, with a range of different formats available for disabled pupils, parents and staff.

4. Access Audit

The school is a two storey building with wide corridors and several disabled access points from outside. KS1 areas are all on the ground floor which wide door access to all rooms. The hall is on the ground floor and is accessible to all. There is a lift which can accommodate a large wheelchair which is maintained on a regular basis through a service agreement with Otis Ltd. School staff are trained in the operation of the lift when relevant. Training is reviewed annually.

All entrances to the school are either flat or ramped and all have wide doors fitted. The main entrance features a secure lobby accessible to wheelchair users. There are disabled toilet facilities available, located off the hall. All these are fitted with a handrail and a pull emergency cord.

The school has internal emergency signage and escape routes are clearly marked, this includes refuge areas for wheelchair users.

5. Management, coordination and implementation

- ❖ We will consult with experts when new situations regarding pupils with disabilities are experienced.
- ❖ The Governors and Senior Leadership Team will work closely with the Local Authority and Diocese.

6. Action Plan

Aim 1 To increase the extent to which disabled pupils can participate in the school curriculum.

Our key objective is to reduce and eliminate barriers to access to the curriculum and to ensure full participation in the school community for pupils, and prospective pupils, with a disability.

	Targets	Strategies	Timescale	Responsibilities	Success Criteria
SHORT TERM	To liaise with Nursery providers to review potential intake for Sept 17	To identify pupils who may need additional to or different from provision for Sept 17 Intake	Sept 2017/2018	HT EYFS teacher	Procedures/equipment / ideas set in place by Sept 2017
	To review all statutory policies to ensure that they reflect inclusive practice and procedure	To comply with the Equality Act 2010	Ongoing	HT All subject leaders	All policies clearly reflect inclusive practice and procedure
	To establish close liaison with parents	To ensure collaboration and sharing between school and families.	Ongoing	HT All Teachers	Clear collaborative working approach
	To establish close liaison with outside agencies for pupils with on going health needs. Eg Children with severe asthma, epilepsy or mobility issues.	To ensure collaboration between all key personnel	Ongoing	HT TAs Outside agencies	Clear collaborative working approach
	To ensure full access to the curriculum for all	Outside Play visits; Employment of specialist advisory teachers if necessary;	Ongoing	Teachers	Advice taken and strategies evident in

	children.	<p>staff and:</p> <ul style="list-style-type: none"> · A differentiated curriculum with alternatives offered. · The use of P levels to assist in developing learning opportunities for children and also in assessing progress in different subjects · A range of support staff including trained teaching assistants · Multimedia activities to support most curriculum areas · Use of interactive ICT equipment · Specific equipment sourced from occupational therapy 		<p>SENCO</p> <p>Special school</p> <p>Ed Psych</p>	<p>classroom practice.</p> <p>ASD children supported and accessing curriculum.</p>
